

Sakonnet Veterinary Hospital

To Whom It May Concern,

I am writing to recommend Jeff Gellman as a dog trainer. Mr. Gellman is a client of our practice at Sakonnet Veterinary Hospital with his dogs Max and Uma. These are large German Shepherd Dogs and Max, at least would be daunting to handle as a patient were it not for the excellent training and control he exhibits in Mr Gellman's hands. In addition, we have recommended Mr. Gellman to a number of client with difficult dogs and have received very positive feedback from them about their experince with Mr. Gellman and have seen a marked improvement in their pets' behavior both at home and during visits to our office. When I encounter a client with a very difficult dog Mr. Gellman is the trainer I recommend first and most strongly.

Sincerely,
Maria Reinhardt, V.M.D.
